

Once Upon A Time

Written By Heather Edwards

Once upon a time there was a princess
She was pretty
In an average sort of way
A smart girl
And sometimes witty
But the princess had a sadness in her eyes

The Princess

Was a naïve girl
Believed in fairy tales
Prince Charming
Camelot
Silly girl
Did not know better
'Cause happily ever after there is not

The Princess, she always worked hard
And always tried to do her best
To make those she loved
So very happy
But felt that she had failed nonetheless

She had to step back
And look at her soul
To realize she had always been whole
It'd be nice to have
That one perfect love
It'd be nice to hear
Applause from above
To be totally accepted
And totally sure
To have all the knowledge
Completely secure

Once upon a time there was a princess
She was pretty
In an average sort of way
A smart girl
And sometimes witty
But now the princess had some wisdom in
her eyes

That's How I Feel

Written By Heather Edwards

Upside down and inside out
Backwards and discombobulated
That's how I feel
When you're around me

Flustered, my heart's all a flutter
Butterflies goin' crazy in my gut
That's how I feel
When you're around me

My mouths' all dry
I can't breathe, much less sigh
That's how I feel
When you're around me

Dizzy and weak
I feel so meek
That's how I feel
When you're around me

Upside down and inside out
Backwards and discombobulated
That's how I feel
When you're around me

Flustered, my heart's all a flutter
Butterflies goin' crazy in my gut
That's how I feel
When you're around me

My mouths' all dry
I can't breathe, much less sigh
That's how I feel
When you're around me

Dizzy and weak
I feel so meek
That's how I feel
When you're around me
When you're around me
When you're around me
It may sound crazy
But I feel great

Love & Hate

Written By Heather Edwards

I love you
And I hate you
I don't love hating you
But I do hate loving you
I do
It's true
Oh, yes I do

Love
And Hate
Integrate when I think of you
And I do
But I don't want to
'Cause it makes me blue
Boo hoo hoo

You're Always Tellin' Me

Written By Heather Edwards
(For BFE)

You're always tellin' me
You're always tellin' me
You're always tellin' me to
Go to hell
But I'm already there

The one advantage to this
Is it never snows on my street
That's because
That's because
That's because I live with the devil

You're always tellin' me
You're always tellin' me
You're always tellin' me to
Go to hell
But I'm already there

The best way to describe it
It's like when I was in the hospital
And they stuck me those needles
And they stuck
And it hurt
And I'd swear
(Insert expletive here!)

You're always tellin' me
You're always tellin' me
You're always tellin' me to
Go to hell
But I'm already there
Yeah, I'm already there

The one advantage to this
Is it never snows on my street
That's because
That's because
That's because I live with the devil

You're always tellin' me
You're always tellin' me
You're always tellin' me to
Go to hell
But I'm already there
Yeah, I'm already there

Lucifi

Written By Heather Edwards
& Andrew Siff

Little black squirrel sitting on a concrete wall
Little beady eyes staring back at us all
And when we try to follow him back home
I'm left to wonder where he goes to roam

Lucifi, where the devil have you gone
Are you underground or am I just your pawn
You're the dark side of the block that
I live on
Oh, Lucifi, where the devil have you gone

(continued to page 2...)

(Lucifi... from page 1)

Little black squirrel stands out from all
 the greys
 Little furry feet scurry in a New York maze
 Are you bent on evil or do you come in
 peace
 Were you sent here to make sure that I re-
 sign my lease

Lucifi, where the devil have you been
 Are you out for blood, or should I let you in
 The temptation just to pet you would be a sin
 Oh, Lucifi, where the devil have you been

Are you here to beg for food just like the
 poor? (Spare some change?)
 Are you my own version of The Raven
 "Nevermore?" (Nevermore)
 I'm not afraid that you're rabid and you'll
 attack (Yeehaw!)
 Just a highly intelligent squirrel that's very
 black

Lucifi, why the devil are you here
 Am I out of luck, or am I in the clear
 You've been haunting every footstep for a
 year
 Oh, Lucifi, why the devil are you here
 Oh, Lucifi, why the devil are you here
 Lucifi, why the devil are you here

Tweedledumb & Tweedledumber

Written By Heather Edwards

Tweedledumb and Tweedledumber
 You'd think I'd feel sorry for their mother
 One is not too bright
 The other one's dumb as rocks
 But all's not lost
 On them

A scientist and a plumber
 Those are two things
 They'll never be
 They most likely won't
 Go down in history
 For anything

But Tweedledumb and Tweedledumber
 Two nicer guys you'll never find
 They're the epitome of kind
 And that's a lot
 That's a lot

Tweedledumb and Tweedledumber
 Infinite kindness

From summer to summer
 Effortless
 And for no reason
 They'd do anything
 For anyone
 At all

Chorus

Tweedledumb and Tweedledumber
 We could learn a lesson or two from them
 How to be the perfect friend
 And to love one another
 Like those two brothers
 Tweedledumb and Tweedledumber

Morning Mood

Written By Heather Edwards

Morning Mood
 Kinda rude
 Can't eat food
 And coffee won't do

Morning mood
 Where are you?
 Wish I knew
 Lie in bed and stew

I am so tired
 Just wanna stay here in bed
 Synapses haven't fired
 Just a bunch of mush in my head

Dreams are much better
 Than real life, it's true
 My dreams are story perfect
 Real life should be that way too

In bed by two
 After our feud
 How it grew
 Wide awake and now I brood

Get a clue
 See my view
 No need to be crude
 Wake up and smell the coffee dude!

Chorus

Morning mood
 This is my cue
 To find someone new
 Someone to woo me

Morning mood
 Coffee has brewed
 The options are few
 Don't want to suffer déjà vu

Chorus

Have You Ever

Written By Heather Edwards

Have you ever wanted something so bad?
 That all at once it made you happy and sad
 Have you ever yearned
 And thought that everything you'd learned
 Would finally
 Pay off
 Have you ever wanted something so bad?

Hoping
 Wanting
 And waiting
 Working
 Wishing
 And Praying
 Have you ever wanted something so bad?

Have you ever wanted something so much?
 That thing that needed just your touch
 Have you ever known
 And thought you'd surely own it
 And make it yours
 One day
 Have you ever wanted something so much?

Hoping
 Wanting
 And waiting
 Working
 Wishing
 And Praying
 Have you ever wanted something so much?

Have you ever wanted something for so
 long?
 That things always seemed to be wrong
 Have you ever searched
 And thought that all of your hard work
 Would be hopelessly
 In vain
 Have you ever wanted something for so
 long?

Hoping
 Wanting
 And waiting
 Working
 Wishing
 And Praying
 Have you ever wanted something for so
 long?
 Hoping
 Wanting
 And waiting
 Working
 Wishing
 And Praying
 Have you ever wanted something
 Have you ever wanted something
 Have you ever wanted something so bad?

Bad Day

Written By Heather Edwards

Today's the kind of day
 That I might drink
 Some Draino

Won't be constipated
 And my arteries won't clog

'Cause today's
 The kind of day
 That I might drink
 A cup of Draino

Money Tree

Written By Heather Edwards

I'm a hard worker
 Through and through
 My meager paycheck
 Just won't do

Oh, I'm real tired of
 Bein' broke
 Asked my boss for a raise and he
 Just blew smoke

There ain't no money tree
 In my backyard
 No, there ain't no money tree
 In my backyard

I planted a penny
 In the ground
 A shiny new penny
 Perfectly round

But that darn penny
 Just won't grow
 I do what I can to make
 That cash flow

Chorus

I'm over my limit on my
 Credit card
 I never thought things could get
 So dang hard

I tend to that penny
 I fertilize it well
 If something don't sprout soon
 My troubles will swell

Chorus

I'm trying to grow a money tree
 Been watering that money tree
 I sure hope there's gonna be a money
 tree
 But there still ain't no money tree
 In my backyard

Donde Esta Mi Cabeza

Written By Heather Edwards

I went down to Mexico
 I had a good time
 I drank some tequila
 I felt mighty fine

I learned to speak Spanish
 I made lots of friends
 Yo bebo tequila
 Yo estoy muy bien

But then it was morning
 The fiesta did end
 I woke up much later
 To myself I said

Donde esta mi cabeza
 Mi cabeza no esta aqui
 Donde esta mi cabeza
 Mi cabeza no esta aqui

I went up to Russia
 I had a good time
 I drank lots of vodka
 I felt mighty fine

I learned to speak Russian
 I made lots of friends
 Pila vodku dazhe
 Kak fsye pod kaniets

Chorus

I went over to Japan
 I had a good time
 I drank lots of sake
 I felt mighty fine

I learned to speak Japanese
 I made lots of friends

Osake takusan nonda
 Dakara cho gokigen

Chorus

Everybody now!

Chorus

Ole!
